A Map
Of Two Tracts of Land on the South side the Mohawk River
the northernmost one Granted to Philip Livingston & others
the 10th February 1762
And the other to Frederick Young & others the 10th October 1765
A Partition of which was made Dec^r 1767
Surveyed and Run out accordingly Dec^r 1767
By
John Hoge
William Hoge

Explanation
In measuring the lines of the
Tracts we have allowed one
Foot in every Span for the
Expansion of the Chain &c
The corners marked with
wax as the long poles points
The stakes are as they were
measured on the ground with
the Chain when the opposite
of the lot does not always agree
with the measurement of the
The roads, swamps, creeks,
houses, and improvements
are laid down, as near as could
be from what we saw running
the lines
